Privacy Statement in accordance with GDPR 2018
With regard to Screen Machine Audience Panel

Screen Machine is operated by Regional Screen Scotland, 20 Forth St, Edinburgh, EH13LH.

We can be reached by email at info@regionalscreenscotland.org.

When you sign up to our Audience Panel through our newsletter we will only collect data that it's necessary for us to collect in order to add you to the Panel and to email you about the Panel.

The only details we will see are your name and email address which you will enter.

As a member of the Audience Panel, we will from time to time email to you a survey, asking your views on the kinds of films you would like to see on the Screen Machine. If/when you respond to the survey, we will be able to see your email address, your location, and your responses to the survey.

We will only send you material which relates directly to operations of the Screen Machine unless you have given us additional consent.

We will not sell or transfer the information you give us to any third party.

We will retain your information until you unsubscribe from the Audience Panel. Every correspondence about the Audience Panel will have this option. You can also contact us at any time to unsubscribe using the email above.

It is our concern that you know that we treat any information you give us with the utmost care, and that it will not be used for anything that you have not consented to.

You can see our Data Management Policy in full by clicking [here](#).
